Springfield Animal Hospital is pleased to tell you that we offer boarding! Because we're an animal hospital, we provide services such as: annual wellness exams, administering vaccines, giving medications and providing medical care in emergency situations.

Canine Boarding

We feed our canine guests Royal Canin GI Low Fat dry food (a palatable prescription diet that ensures high digestibility & nutrient absorption, and contains key nutrients such as: essential fatty acids, psyllium, prebiotics, and zeolite). You are welcome to bring your dog's food from home if you prefer; we encourage you to do so if your pet is on a puppy or senior diet, prescription diet, or has any dietary restrictions.

Healthy adult dogs receive four walks a day. Puppies, seniors, and dogs with special needs are walked every other hour. You may opt to have your pet receive a 20 minute one-on-one playtime or TLC/cuddle session with a kennel attendant. Playtimes are \$12.00 per session.

All of our canine guests, staying two nights or more, receive a complimentary boarding bath before they go home.

Rates per day:

1-25 pounds: \$34.00

26-50 pounds: \$38.00

51-75 pounds: \$40.00

76+ pounds: \$42.00

Feline Boarding

We feed our feline guests Science Diet Sensitive Stomach dry cat food with a side dish of Fancy Feast wet food. You are welcome to bring your cat's food from home if you prefer. Each kitty guest enjoys romping in cat ward supervised by a kennel attendant at least twice a day. The cost to board your feline friend is \$24.00 a day.

Exotics Boarding

Small animals are welcome when they bring their own cage, food and supplies. We will feed and care for them per your instructions. The cost to board your bird, rabbit, ferret, guinea pig, etc. is \$18.00 a day.

Our Accommodations

We have a variety of kennel sizes available for your pet:

Your pet will be placed in the largest available kennel and will be able to comfortably stand up, turn around, and sit down. All kennels are lined with blankets and towels, which are changed and laundered (in bleach) regularly.

We do not take responsibility for any personal items you bring to the hospital. We ask that you do not bring your own blankets, beds, towels, or toys as we have a large supply.

If you have multiple pets (of the same species) and you would like them to board together in the same kennel, please fill out the multiple pets form so they may do so.

Medications, including insulin, can be administered for a daily fee.

We look forward to seeing you and your pet in the near future!
